

Our Chaplaincy team supports the diverse spiritual needs of COGC students and staff and help celebrate various dates throughout the year. We have representatives from a range of faith communities, including the Humanist Society.

As a relatively new service, the Team are keen to engage with students and staff. They can provide a listening ear and give support during difficult times. This is provided in a confidential and informal way. Chaplains can help with questions of values and identity.

## Quiet Reflection

The College has dedicated spaces at both City and Riverside campuses for quiet reflection, prayer and meditation for people of all faiths or none. Here are a few things to remember:

- The space is open access, so there's no need to book a space.
- Please respect other users and leave the space as you found it.
- If you have any issues, please speak to the Equality, Diversity and Inclusion team.

The following is a list of places of worship and meeting in the local area around City of Glasgow College. If your faith or belief is not represented and you wish more information please contact a member of the Equality, Diversity & Inclusion (ED&I) team.
